1956 LANTERN
LAMBUTH COLLEGE

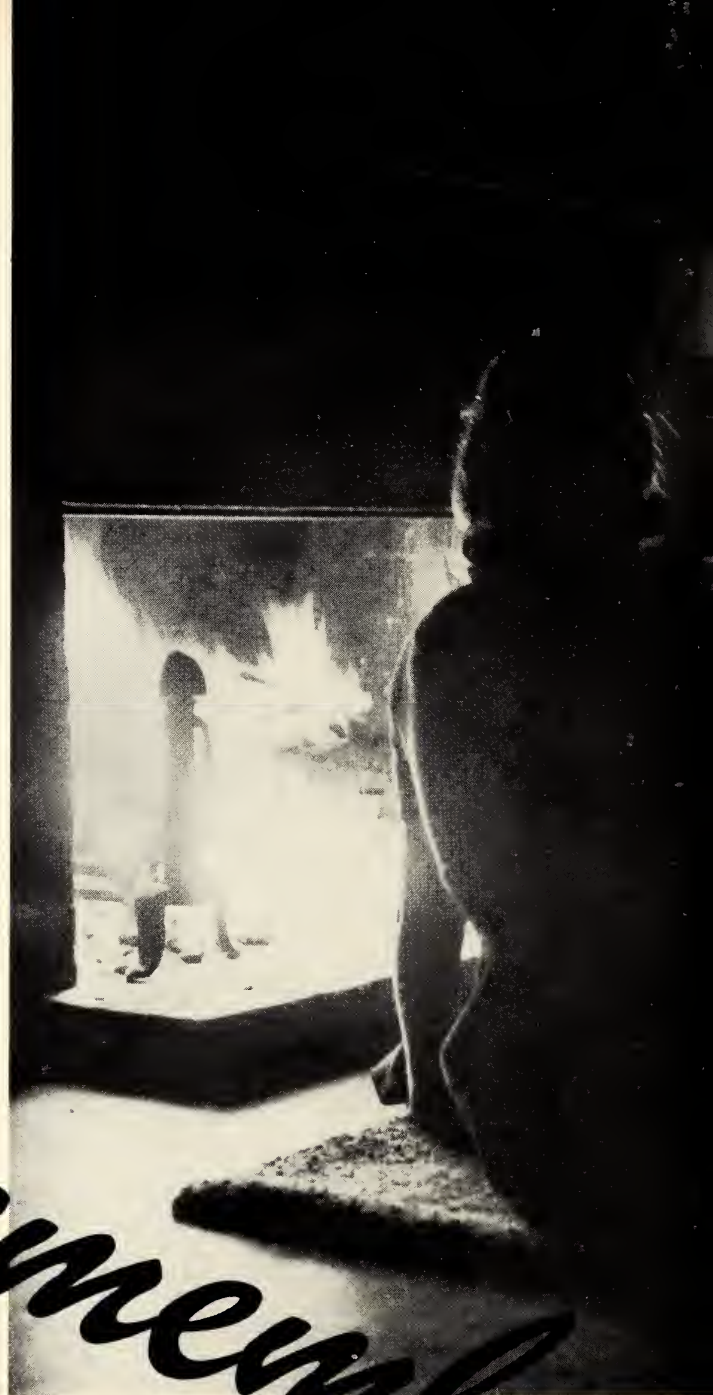

A Prayer

"Almighty God, Fountain of all Wisdom, be with us, we pray Thee, in our work today. Endue all the teachers with a sense of their responsibility and with grace and strength for its fulfillment. Keep the students in health of mind and soul and body. Make them diligent in study; guard their inexperience, and save them through all temptation. Bless the patrons and alumnae of this school and enable us all, more and more each day, to advance in that knowledge which is eternal life. Through Jesus Christ our Lord. Amen."

Written about 1894 for St. Mary's Episcopal School by The Rt. Rev. Thomas Frank Gailor, Bishop of Tennessee.

Dedication

We, the student body, are proud to dedicate this year's annual to a man who has dedicated thirty years of his life to this institution. Through the years he has shown the utmost interest in his students and has given guidance to many who have gone on, believing him to be the most unforgettable personality they have ever known.

He has become a symbol of the ideals of Lambuth College. With the greatest of love, respect, and admiration, we present this annual to

Marvin E. Eagle

From The President's Desk

Thanks to students, parents, preachers and laymen of the Memphis Conference, faculty, trustees, alumni, and other friends of Lambuth everywhere, the year 1955-1956 may be remembered for advancement, growth, and development.

We gratefully take pride in what, through the cooperative efforts and sacrificial contributions of many, has been achieved. Investments made here, in the opinion of national educational leaders who have made careful studies of what has been done, have been wisely used, and it is their opinion and ours that our educational program is progressing along sound and fruitful lines.

The growing prestige of Lambuth is reflected in many significant ways, not the least of which is by the fall's enrollment increase of over 35 per cent. It is to serve more students better that we are dedicated.

It is my sincere hope that students and others who, by honest effort and diligent application to the business at hand, have earned the right to do so, may look back upon this year with great satisfaction and look ahead with increasing confidence and genuine joy in service.

Luther L. Gobbel
President

It is with deepest feelings and kindest thought of the Alma Mater that these Seniors leave the halls of Lambuth College with their lives dedicated to service. Wherever they go, whatever they do, we are sure that the ideals of life imparted to them will remain ever with them and always hold high the name of our institution.

BARTER PLAYERS TO GIVE "SABRINA FAIR" ON FEB. 8

By ANITA RICE

There is a treat in store for those who attend the performance of "Sabrina Fair" enacted by the Barter Players from Abingdon, Virginia, on February 8, at Jackson High School. This play was written by a former Barter actor, Samuel Taylor, who since has given up the grease paint for his more lucrative typewriter. After leaving Barter Theatre, his first job as play reader and doctor kept him too busily occupied to write plays of his own. The most successful example of his tampering was "What A Life", which had a long and profitable run on Broadway and evolved into "The Aldrich Family" of radio fame. After a long stint in radio and television and the writing of "The Happy Time," a big hit of the 1950-51 season, came "Sabrina Fair." It ran on Broadway for 302 performances.

The Barter Theatre has an interesting and successful background, its genesis dating back to the summer of 1932. Last year it brought "Macbeth" to Jackson.

The Barter Theatre of Virginia pledges itself to combat the evils that would destroy the culture and enlightenment of the world by giving the best of its strength and devotion to the cause of truth, beauty, and the spiritual nourishment of the human soul.

"Sabrina Fair" is a delightful story of a Long Island girl who left home as a shy, reserved person, and returned, after a few years in Paris, as an entirely different person.

Spring Semester Brings Faculty Additions

Lambuth will be fortunate enough to have two new faculty members to begin the new semester. They will take positions in the Home Economics Department and the Economics Department.

In the Home Economics Department Mrs. Eugene Cobb will take the position now held by Mrs. Baxter. Mrs. Baxter was serving in an interim relationship with the college in Mrs. Alexander's place. Mrs. Cobb is a native of Georgia but now resides in Jackson. She received her Bachelor of Science in Home Economics from the University of Georgia and her Master of Science from the Alabama Polytechnic Institute.

Basketball Royalty Revealed

Gail Boling To Reign As Queen

By NETTIE JEAN JOHNSON

Reigning over basketball festivities February 3, will be the lovely Lambuth girls below. The basketball team has chosen Miss Gail Boling as the 1956 Basketball Queen, and for her maids they have chosen Misses Patty Williams, Gloria Fowles, and Kitty Richardson.

Gail, a sophomore, is the daughter of Mr. and Mrs. John O. Boling of Morris Chapel, Tennessee. She graduated from Morris Chapel High School as salutatorian of her class. She was very active in high school, being president of both her junior and senior classes and serving as cheerleader one year.

Since coming to Lambuth she has been kept very busy. During her freshman year she became a member of Beta Sigma Alpha Sorority and is still an active member. She served as a maid in the basketball royalty last year and was a member of the SCA Council, Lantern Staff, and Music Club. This year Gail is serving as maid to Miss Lambuth and as royalty for Sigma Alpha Fraternity. She is a member of the choir for the second year, and she is also secretary for SCA Council, a member of the Special Events Committee, and a member of F. T. A. Gail plans to major in Elementary Education and is now working on her teacher's certificate, which she will use as a medium to receive experience in the teaching profession before continuing with her post-graduate work at Scarritt College in Nashville. After this, Gail plans to do home mission work in the educational field.

Patty Williams, also a sophomore here, is the daughter of Rev. and Mrs. Roy Williams of Memphis, Tennessee. Patty, Lambuth's own Miss Tennessee, will be serving as basketball royalty for the second consecutive year. Among her many activities on the campus are membership in F. T. A., the Dramatics Club, and Omega Upsilon Lambda Sorority. She has served as cheerleader and queen for Sigma Alpha Fraternity for two years and is chairman of the Special Events Committee. She plans to major in English and minor in Education. She would like to teach English in a junior or senior high school. After graduating from Lambuth, she plans to work on her master's degree and obtain her secondary and elementary certificates to work with mentally retarded children.

Gloria Fowles, a member of the Freshman Class, is the daughter of Mrs. Florence Fowles and the late Mr. Fowles of Dyersburg, Tennessee. While in high school there, Gloria was a member of the Beta Club and the F. H. A. During her senior year she was chosen Miss D. H. S. and was elected as a delegate to Girl's State. Here at Lambuth she is pledging Omega Upsilon Lambda Sorority and is a member of the Annual Staff. Her plans for the future are indefinite, but she does plan to go into the field of psychology.

Kitty Richardson, also a freshman, is the daughter of Mrs. Mittle Richardson of 182 Wisdom, Jackson, Tennessee. Kitty graduated from Jackson High School, where she played basketball for two years, was a member of the National Honor Society, Junior Classical League, Tri Hi and was active in many more clubs there. Since coming to Lambuth she is pledging Omega Upsilon Lambda Sorority, has been chosen a member of the Special Events Committee, and is a member of F. T. A. and the choir. Her major may be in elementary education.

The coronation of the basketball queen and her court will precede the Bethel-Lambuth game February 3.

At present the Lambuth Eagles have won six games and lost eight. They have played much better than this record indicates, however. All the games have been fairly close with the exception of the C. B. C. game. The boys have played well, as is seen by the scoring of Richard Fly, who has a 22 point average per game. Close behind him is Jerry Pate with a 17 point average.

One of the Eagles' best games was against Bethel, as the Eagles waltzed off with a 111-98 victory. The boys were on their toes all the way, and with the scoring of Fly and Pate and the rebounding of Freeman, the Eagles won.

The strange part of the Eagles' victories is that they defeat teams that beat other colleges yet when they play those colleges, they lose to them. For example, they beat Bethel and Bethel beat U. T. M. B. yet U. T. M. B. defeated the Eagles.

But the season is not over yet, and we feel confident that the Eagles will finish the season with a winning record. A big asset to them would be a large number of the student body attending all the home games. Come out, won't you?

Season Nears End

Plans Announced For Homecoming

On February 25, 1956, Homecoming Day will be observed. Many of Lambuth's Alumni will be visiting our campus. The main attraction of the day will be a banquet to be held at the Southern Hotel for the honored visitors. Tours of the campus will also be included in the day's activities.

After an honorary tea in Sprague Hall, the alumni will assemble in the chapel auditorium for a business meeting at which time officers will be chosen for the coming year and the R. E. Womack award will be made to the outstanding alumnus.

Homecoming day is an important event on college campus. As the student body of Lambuth let's do our best to make it something special, not only for the guests, but also for us.

ALMA MATER

There's a song in our hearts never ending,
There's a vision in all of our dreams;
There's a school with our lives ever blending,
And that school is as grand as it seems.

CHORUS

Dear Lambuth, we hold you deep in our hearts,
Dear Lambuth, you taught us the way,
And tho future years intervene
We'll dream of this wonderful day.

Although far from your campus we wander,
And strange flags in the skies be unfurled
Memories cause our heart to grow fonder
Of the dearest old school in the world.

Always honor and glory you brought us
Nor will we to that trust be untrue,
We'll remember the faith that you taught us
And bring honor and glory to you.
